## JOINT COMMISSION of the EMPRESS SHÔKEN FUND

*Geneva, 11th April 1968.*

### FORTY-SEVENTH DISTRIBUTION OF INCOME

The Joint Commission entrusted with the distribution of the income of the Empress Shôken Fund met in Geneva on the 22nd March, 1968. The Japanese Red Cross was represented by His Excellency Ambassador M. Nakayama.

The Commission noted the statement of accounts and the situation of the Fund as at 31st December 1967 and confirmed that the balance available amounted to Sw. Frs. 34,988.10.

Twenty requests had been submitted for allocations from the XLVIIth Distribution of income. In application of the remarks made in Circular No. 52 of the 11th April 1963, concerning the disadvantages of making small allocations which do not permit the financing of projects, the Joint Commission decided to make the following allocations:

*The Ceylon Red Cross Society*: Sw. Frs. 12,500  
to purchase an ambulance.

*The Republic of Korea National Red Cross*: Sw. Frs. 9,000  
to purchase a centrifuge for the conservation of plasma.

## IN THE RED CROSS WORLD

*The Togolese Red Cross Society*: Sw. Frs. 13,000

to purchase a heavy duty vehicle for their disaster relief team.

The unused balance of Sw. Frs. 488.10 will be added to the income available for the XLVIIIth Distribution.

In accordance with Article 5b of the Regulations, the beneficiary National Societies are required to report in due course to the International Committee of the Red Cross or the League of Red Cross Societies on the use which has been made of the allocations received. The Joint Commission would like this report, accompanied by photographs if possible, to reach it at the latest by the end of the year during which the allocation is used. It furthermore reminds beneficiaries of Article 5a of the Regulations which prohibits them from assigning the grant for purposes other than those specified without the previous consent of the Commission.

In accordance with the Regulations, the 1968 income will be distributed in 1969. The Central Committees of National Societies are now invited by the Secretariat of the Joint Commission to submit requests for an allocation.

**The Joint Commission desires to remind candidates that such requests must indicate the precise purposes for which the allocation will be used, in order for them to be considered; they must also, as far as possible, be accompanied by a plan of financing. Requests must be submitted to the Secretariat of the Joint Commission before 31st December 1968. To facilitate National Societies to make applications in conformity with the Regulations, the Joint Commission has decided to send, as in the past year, model application forms to all National Societies.**
