The *International Committee of the Red Cross (ICRC)* and the *International Federation of Red Cross and Red Crescent Societies*, together with the *National Red Cross and Red Crescent Societies*, form the International Red Cross and Red Crescent Movement.

The *ICRC*, which gave rise to the Movement, is an independent humanitarian institution. As a neutral intermediary in the event of armed conflict or unrest it endeavours, on its own initiative or on the basis of the Geneva Conventions, to bring protection and assistance to the victims of international and non-international armed conflict and internal disturbances and tension.
