# Information for authors and guidelines for the submission of manuscripts

The *International Review of the Red Cross* invites readers to submit articles on subjects relating to humanitarian action, law or policy or any issue of interest to the International Red Cross and Red Crescent Movement (see *Mission of the Review* on the inside front cover).

The decision whether or not to publish a text in the *Review* is taken by the editor, who also determines the date of publication. The main criteria applied are originality and academic standard. If necessary, an expert opinion will be sought.

**Language:** Manuscripts should be submitted in either French or English. Texts are published in the original version together with a summary in the other language.

**Length:** *Articles* should be no longer than 20 printed pages (around 8,000 words). *Book reviews* should not exceed three printed pages (around 1,000 words). Authors of articles are kindly asked to provide a summary, comprising 100 to 200 words, depending on the length of the original.

**Footnotes:** Authors are requested to keep the number and length of footnotes to the minimum necessary for ensuring comprehension of the text, and for indicating the sources used and relevant literature. Footnotes should be numbered consecutively from the beginning of the manuscript.

**Bibliographical references:**
***(a)* Books:** author's name, title of book, edition (for example, 2nd ed.), publisher, place and year of publication, and page(s) referred to;
***(b)* Articles in periodicals or collective publications:** author's name, title of the article and, in the case of:
- *periodicals:* name of periodical, volume, year, and page(s) referred to;
- collective publications: names of editors (eds), title of publication, publisher, place and year of publication, and page(s) referred to.

Manuscripts should be sent to the *Review* on paper together with a copy on diskette, or by e-mail, in which case a paper copy should also be sent by post or fax. Authors are invited to submit texts in one of the following word-processing programmes:
**WordPro Millennium or 97**
**Word for Windows 6.0, 95 or 97**

**Biographical notes:** Articles submitted for publication should be accompanied by two to three lines of biographical information on the author.

The *Review* reserves the right to edit articles. Manuscripts, whether or not accepted for publication, will not be returned. Authors of published articles will receive off-prints of their contributions.
